## Music

The new music National Curriculum has a strong emphasis on active involvement, with children both playing and also listening to and enjoying music.

In Key Stage One the focus is on playing a range of tuned and un-tuned instruments and singing, musically and with expression, delivered through the Manchester Music Scheme.

In Key Stage Two, children extend their playing to include an understanding of staff and notation and use their knowledge of the dimensions of music to improvise and compose. Year 3 have to opportunity to learn how to play the recorder through weekly sessions. They also develop an understanding of the history of music.
