

PSHCE

Personal, Social, Health and Citizenship Education is an important part of St. Wilfrid's curriculum. The children cover many topic areas in each year group. These topic areas are taught through cross curricular links and differentiated appropriately as the child progresses through Key Stage 1 and Key Stage 2.

Current issues and topical national and international issues in the news are addressed through whole school assemblies and class discussions.

Topic areas

Ethos and Values	Citizenship (Me and my community)	Safety – including internet safety and anti-bullying	Economic Wellbeing
Sex and Relationship Education	Healthy Lifestyles/ Healthy Schools	Drug Education	Resilience/ Preparing for Change
