## Physical Education

At St Wilfrid's School we understand the importance physical education and school sport have in developing the whole child. Our vision is to inspire a generation to hold deep the values of friendship, excellence, respect and the importance of physical fitness. Our aim is to challenge each child to reach their full intellectual, creative and physical potential.

We aim to develop a sense of personal health and well-being and a desire for lifelong participation in physical activity or competitive sport.

The curriculum for P.E. covers aspects such as Gymnastics, Games, Dance, Sports and Swimming. Our Year 4 pupils have the opportunity to develop their swimming skills during weekly swimming lessons at the local leisure centre.
