Messages for Parents 20th April 2018

- Welcome back to school for the summer term. This is the time of year when all the tests and assessments happen. It is so important that children are in school every day possible.
- Thank you to all the Y4 parents who came to the Reading Detective launch today. The next sessions are on Fri. 4th and Fri. 18th May.
- The sun has happily made an appearance this week. Please protect your children from sunburn. Apply cream before school when the forecast says it is going to be sunny. If you want your child to apply more during the day then they must be able to do it themselves and any cream must have the child's name on it. Sun hats, caps and sunglasses can also be worn outside.
- Year 6 SATs week starts Monday 14th May. The Revision Classes will continue right up until that week. Please make every effort to help Y6 keep high attendance rates. Any missed learning can make a big difference in the tests.
- Y2 SATs can be done at any time during May. In this school they will mainly be done during the week beginning 21st May. It is very important that children are in school every day so that they can do their very best in the tests and assessments.
- Mrs Instone and four Y6s went to Manchester Central Library to see the work they had done on the story of the Suffragettes and the rest of the exhibition. It is on until June and is well worth visiting.
- Please remember that the only jewellery allowed are plain stud earrings and watches. No necklaces, friendship bands or acrylic nails are allowed.
- There are still many outstanding data collection sheets. Even if there are no changes to be made, please sign and return the sheet.
- Our school uniform can be ordered online from Tesco. We will still be stocking items at school but you have an alternative all year.
