19th October 2018

Dear All,

Thank you very much for the generous donation of Harvest Festival Food received from St. Wilfrid's Church of England Primary School towards our work supporting local children and families struggling to make ends meet. Your help enables us to support the thousands of children and families who need our help each year, with practical day to day items such as children's clothes, toys, bedding and toiletries, but also through our projects that work to improve children's life chances.

Projects such as our SmartStart initiative, which helps families with the costs of school. Last year we provided over 2,700 children with smart new uniform in time for the new school year. We also provided sports kit, school bags and stationery, all to help children participate fully and grow up to fulfil their potential. It is projects like these that we work to develop, to help break the cycle of poverty.

We really wouldn't be able to respond to requests for help from families and develop projects like this without the generosity of supporters like yourselves. Thank you so much for your continued support.

We would very much like to keep you informed about how your donations help and ways to get involved in future. However due to changes in data protection rules, we need your consent to keep in touch. Please complete the enclosed postcard and return to us, call us on 0161 834 3140 or email info@woodstreetmission.org.uk.

Your help will make a lot of families' lives better. Many thanks again for your support.

Kind regards

Trish Houlden
Administrator
