Messages for Parents 11th January 2019

- Happy New Year to all our families. The spring term is a good one for lots of learning and it is so important that all children have very high standards of attendance and punctuality. When the results of the assessments from before Christmas were analysed it was so clear that children with poor attendance or punctuality didn't make as much progress as those who never miss learning. Don't let your child down by letting them miss school.
- Reminder -if you have ordered milk for your child for the spring term The cost is £7.00. Please pay by 28th January 2019.
- Please remember to give us any new phone numbers. During the winter there is always a chance we may have to close in an emergency and we would let you know by text message.
- Next Tuesday we are hosting a taster session for Family Learning. Come along on Tuesday 15th January at 9.00am and find out about the courses Manchester College are running. Some are to help you help your child with learning at home and some of them can help you find a route into employment or just to develop new skills.
- The nursery visit to the library has been postponed again, sorry. We will let you know when and if this can be rearranged.
