Special events, news

Thank you to everyone who participated in the Easter Bake Off and who also purchased raffle tickets for the Easter prize draw. As always you made a fantastic contribution and we raised over £300 for school funds.

We have finally received our new memorial bench which has been put back in place on the playgrounds. There are some new recycled benches for the children to sit on over on the bottom playground that just need putting in place.

A new trim trail will be finished soon for our children in KS1 and some new playground markings. We have been able to do this following some funding we received from Tesco and a company called DLP and Airelogic.

Battle of TT Rockstars

Well done to our amazing trio! Winners 8th June 2023

Manchester City Council has advised schools to proceed with issuing penalty notices for persistent absences from school and holidays that are taken during term time. We have revised the Attendance Policy and this is available on the website under the Statutory Information page under Policies. Please be aware - ***Parents whose children are on a school register and fail to ensure the regular and punctual attendance of their child(ren), may be guilty of an offence under Section 444(1) or 444(1A) of the Education Act 1996 and the authority may take enforcement action through the courts to secure regular attendance.***

Mrs Brereton, Mrs Harrison and our **One Education attendance partner Miss Boden** monitor attendance on a daily/weekly basis and will invite families in where concerns have been identified. Home visits to absent children will also be undertaken. We appreciate your continued support and if you need to discuss anything regarding attendance, please make an appointment to see us and hopefully we can eliminate a problem before it occurs.

Thank you to those parents who attended the attendance appointments last week your support is appreciated.
