	Maths	TT Rockstars	Bug Club	Maths
	Bug Club	Maths	Music	Bug Club
	RE	Bug Club	Art	Science
	Love of Reading	PE	Love of Reading	Love of Reading

Being off school isn't ideal but it is an opportunity for you to get creative. Maybe you would like to write a story of your own, design something spectacular, create a piece of artwork or even become a junior MasterChef! Please share with us any other achievements of yours as we'd love to see them.

Remember keeping healthy and safe is very important. Eat healthy meals – don't forget breakfast! Drink lots of water. Get plenty of sleep. Exercise regularly. And keep washing your hands! 😊

These are all things that will help you to learn and keep your mind happy.

We miss you all lots!
