

Year 5 weekly overview of work for Monday 25th to Friday 29nd January:

Please note that there are some fantastic programmes on CBBC for your age group from 9.40 am to 12 pm ish, including BBC bitesize, horrible histories, art ninja and operation ouch! It would be a good idea to watch some of these!

Try to go into view assignment and go to the right of the screen and click create/add and docs and then type your answers into a blank document it will then give you the option to submit work at the top. You may need separate paper for working out on too.

Monday	Tuesday	Wednesday	Thursday	Friday

Bug Club – Read books and answer qs – 30mins	Bug Club – Read books and answer qs – 30mins	Bug Club – Read books and answer qs – 30mins	Bug Club – Read books and answer qs – 30mins	Bug Club – Read books and answer qs – 30mins
<p>Spelling</p> <p>Continue to practise spellings from the Y5 and 6 spelling booklet that you had last week and the week before. Look up the words in dictionaries, write your own sentences, practise handwriting and use spelling strategies to learn them, choose 5 words per day.</p>	<p>Spelling</p> <p>Continue to practise spellings from the Y5 and 6 spelling booklet that you had last week and the week before. <p>Maths:</p> <p>Multiply 2 digit (area 2)</p> <p>Watch the video: vimeo.com/488076765</p> <p>Answer the questions from the worksheet on a separate document.</p>	<p>Maths:</p> <p>Multiply 2 digit by 2 digit</p> <p>Watch the video: vimeo.com/488553863</p> <p>Answer the questions from the worksheet on a separate document.</p>	<p>Maths:</p> <p>Multiply 3 digit by 2 digit</p> <p>Watch the video: vimeo.com/488555095</p> <p>Answer the questions from the worksheet on a separate document.</p>	<p>Maths:</p> <p>Multiply 4 digit by 2 digit</p> <p>Watch the video: vimeo.com/488667737</p> <p>Answer the questions from the worksheet on a separate document.</p>	<p>Maths:</p> <p>Solve the mystery maths, which pupil helped the teacher lock the cupboard and where is the key? Solve the maths to find the clues and then cross the pupils off the list and send me the answer!</p>
English:	English:	English:	English:	English:

<p>I was hoping for snow when I planned this English 😊</p> <p>Complete English activity 1 sheet.</p> <p>Then read the snowflake poem and answer the questions. Look up any words you don't understand.</p> <p>Then for a bit of fun try to make some snowflakes of your own and stick them up for a bit of decoration. Here is a video link for how to make them on youtube but there are lots of others you could choose.</p> <p>www.youtube.com/watch?v=oCuk8E-MhdE</p>	<p>Read the poem and answer the questions.</p> <p>Each stanza(verse) has rhyming words can you make a list of the pair of rhyming words in each stanza?</p> <p>Which poem did you like best, the one from yesterday or the one from today?</p>	<p>Read the poem and complete the drawing activity and answer the questions.</p>	<p>Read the poem and answer the questions.</p> <p>For Questions 2 and 5 please give as many examples as you can find.</p> <p>Out of the 4 poems about winter that we have looked at this week, which do you think was the best and why?</p>	<p>You should have lots of ideas about winter poems now.</p> <p>I would like you to use these ideas to write your own winter poem.</p> <p>It could be about snowflakes or snowmen or winter in a forest or by a lake or whatever you want. It could be a similar style to the ones you have looked at and may have rhyming, expanded noun phrases and it may even be like a recipe eg:</p> <p>A recipe for a snowman</p> <p>A recipe for a perfect winter's day</p> <p>Have fun, do your best and add illustrations too if you can!</p>
<p>PE:</p> <p>Please complete the Joe Wicks PE for kids workout for today. You can find this on you tube.</p>	<p>Science:</p> <p>Please read the powerpoint as this explains what you will need to do.</p> <p>You will then create an investigation into the best parachute design, you might need some equipment for this like: cotton or thread, paperclips or blue tack to attach to the parachute and something to make the parachute from, like tissues,</p>	<p>PE:</p> <p>Please complete the Joe Wicks PE for kids workout for today. You can find this on you tube.</p>	<p>RE:</p> <p>Please research another Jewish festival such as Passover or Shavuot or Sukkot or any other you want to and find out as much about it as you can and write an explanation of this festival for me.</p> <p>What are they celebrating?</p> <p>How do they celebrate?</p> <p>Do they eat special foods for it?</p>	<p>PE:</p> <p>Please complete the Joe Wicks PE for kids workout for today. You can find this on you tube.</p>

	paper, fabric, plastic sheet(maybe cut from a plastic carrier bag)			
<p><u>RE:</u></p> <p>Watch the videos of about the Jewish festival of Purim.</p> <p>www.bbc.co.uk/cbeebies/watch/lets-celebrate-purim</p> <p>Then read through the powerpoint and then use it to help you answer the questions on the sheet.</p>	<p>You must write up the investigation and your results on the sheet or in a blank document.</p> <p>You must then complete the super skydiving report, either on the sheet if you work on paper or in a blank document if you are on the computer.</p>	<p><u>Science:</u></p> <p>Please read the powerpoint, you won't be able to do the first mini investigation as I am sure most of you don't have a big measuring cylinder in your houses.</p> <p>You should be able to make your own boat using any junk materials, rubbish, paper or card etc you have lay around in the house. I would suggest making 3 different boat designs instead of one that you can race against each other in the bath. If you don't have a fan to blow them you can use a piece of paper or card and waft them till they reach the other end of the bath. You could time each one to see which is quickest and therefore the best design.</p>		<p><u>Art:</u></p> <p>There are lots of tutorials on you tube for drawing different body parts here is a link to one for how to draw an eye</p> <p>www.youtube.com/watch?v=IL5jTL5NOvo</p> <p>Have a go at drawing an eye and send me a photo if you can! Or you can send it in with your work pack.</p>
