Dear Parent/Carer

RE: **Roof Phase 2**

We were very pleased we were able to re-open school as planned yesterday and welcome the children back. Unfortunately, there has been some issues with leaks in the school building following commencement of the roof work during the school summer holidays and this has resulted in the school kitchen having some flood damage which has affected the extractor fans and gas supply. We have therefore had contractors in school everyday trying to rectify some problems and things are now starting to improve.

In view of these problems, your child may have come home saying they have had sandwiches for their lunch over the last couple of days. This is a temporary measure for this week only while the kitchen facilities are repaired, the alternative was for us to remain closed which we did not under any circumstances want to do. We have therefore provided a packed lunch style menu (sandwich, fruit, a dessert (biscuit or yoghurt) and/or crisps and a drink) and we will be resuming our new menu with the usual hot food next week.

I know you will understand that this is a difficult situation and are sure you will support us with this solution. If there is any change to our plans for next week, we will let you know but we are confident normal service will be resumed.

Thank you as always for your help and support.

Yours sincerely

Mrs S Brereton
Headteacher
