Manchester City Council has advised schools to proceed with issuing penalty notices for persistent absences from school and holidays that are taken during term time. We have revised the Attendance Policy and this is available on the website under the Statutory Information page under Policies. Please be aware - ***Parents whose children are on a school register and fail to ensure the regular and punctual attendance of their child(ren), may be guilty of an offence under Section 444(1) or 444(1A) of the Education Act 1996 and the authority may take enforcement action through the courts to secure regular attendance.***

Mrs Brereton and Mrs Harrison monitor attendance on a daily/weekly basis and will invite families in where concerns have been identified. Home visits to absent children will also be undertaken. We appreciate your continued support and if you need to discuss anything regarding attendance, please make an appointment to see us and hopefully we can eliminate a problem before it occurs.

Thank you to those parents who attended the attendance appointments last week your support is appreciated.
