

## **National Curriculum Swimming Data 2018-2019**

**Swimming Proficiency** – The percentage of our year 6 pupils who could competently, confidently and proficiently swim a distance of at least 25m was 100%. The percentage of pupils who could perform self-rescue in different water-based situations when they left primary school at the end of the last academic year was 60% (40% did not achieve self-rescue) and finally the percentage of pupils who could use a range of strokes effectively was 16% (84% did not achieve a range of strokes).

Our children in Year 4 participate in a weekly swimming lesson and 88% of the children at the end of the academic year achieved the 25m award and 24% achieved the 50m award. This initiative will continue and the children thoroughly enjoy the activity, their confidence, stamina and overall fitness has improved and they have thrived on the challenge again this year
