Dear Parents/ Carers,

I wanted to take this opportunity to thank you all – children, parents and staff – for welcoming me so warmly to St. Wilfrid's. I was appointed to the role in January and have spent the last few months getting to know the school. I am so incredibly pleased that I chose to join a school that values every child and that is at the very heart of the community that it serves. It will be my continuing role to ensure that our children receive the very best education at St. Wilfrid's, in a school where challenge and enjoyment will be at the very heart of the curriculum.

The children have settled beautifully into their new classes, including the very youngest in nursery and reception. They have made an excellent start to their learning journeys this year and I look forward to seeing them progress further.

I am very lucky that I have joined a strong staff team and look forward to continuing our growth and journey. Thank you all in advance for your continuing support.

Kind Regards,

Mrs S. Brereton
