Lunchtimes- message from Mrs Brereton

We strive to make our lunchtimes as calm and organised as possible so that the children can enjoy their food in a hygienic and ordered environment. As I'm sure you can imagine, feeding almost 250 children within an hour is quite a challenge!

- We ask that the children pick up any food that they have dropped themselves, as some children were deliberately throwing food that they didn't like onto the floor. Other children were then left to stand and sit in the food, which was unfair.
- We ask that the children remain seated whilst eating their dinner so that they digest their food fully and keep food on plates and tables.
- We ask that children on packed lunches take any uneaten food and packaging home (except for yoghurt pots), as some children are not eating their lunch and are throwing whole sandwiches away. We want parents to see what their child is leaving so they can adapt packed lunches if needed.

I'm sure that you can appreciate why we are reinforcing these simple rules. We want to support you in developing children who are aware of how to keep their environment safe and clean, and who respect other pupils, staff and the food provided by school and parents.

Thank you for your continuing support.

Thank you very much for sending in the Aldi vouchers we have now filled our wallchart and are ready to send it to them. We will keep you posted if we win the prize draw to win £20k for sports equipment.

A big thank you to everyone who contributed to the Harvest Festival this week, your generosity as always was overwhelming and we have donated the food to a local charity who support food banks.
