The school is cleaned daily and all surfaces and equipment are being sanitised. Everyone is reminded that if they have a cold that they catch germs in a tissue, dispose of tissues in the bins provided and wash their hands as soon as possible to kill any germs. Further information can be found on our **NEWS** page on the school website by following the link provided. **Please rest assured if we have any updates we will always notify you in the first instance. Unfortunately, there have been many social media posts circulated which are sending out incorrect information and only cause unnecessary worry and confusion.**

Please make sure that the school office has up to date telephone numbers for you. If there are any updates about the current situation we will make contact with you via text message, our school website <https://stwilfridsceprimary.co.uk> - NEWS section or Twitter <https://twitter.com/StWilfrids1>
