

Dear Parent/Carer,

We would like to welcome everyone back to school and say a huge THANK YOU to everyone for trying their best and keeping safe throughout the challenging lockdown period. It has been lovely listening to the many ways in which the children have tried to continue with their reading, maths and topical interests during this time.

Now we have settled into our new timetable we would like to remind you of the equipment that is needed on certain days: -

- Wednesday (during this half term) - Outdoor sports kits to be worn all day.
- Friday - Swimming equipment. (A coat must be worn on our journey.) We will be returning to school at 3:45pm on this day.
- Every day - Water bottle - filled each day.

Reading books will not be coming home each day as yet but your child must still read regularly at home to an adult. They could read a fiction/non-fiction book, a newspaper, comics, online books, instructions etc. To help with online reading, the children were given their school Bug Club login to access at home. If your child has misplaced this please let us know and we can reissue another one.

Please assist your child with their quick recall of times tables and division facts, as Year 4 will take their online tests by the end of this year.

If there are any further questions about Year 4 then please see us at the end of the day when picking up your child or contact the school office.

Wishing everyone a warm welcome back, take care and stay safe,

Miss Pickup, Miss Baillie and Mrs Kennedy.
