Don't Forget...

In view of the second national lockdown, we request that our Parents/Carers wear a protective face mask when dropping off & collecting children and that you maintain the social distancing guidelines. This will help us keep our school open during this difficult time. Thank you for your support & cooperation.

Please make sure you keep to the collection and drop off times you have been given so as to minimise congestion and reduce risk in the school environment. Thank you.

We have before & after school childcare available provided by our outside provider Alison Ingham. If you would like to reserve a place for your child and discuss fees please ring her on her new number 07561684795. Arrangements can only be made with Alison not the school office.

Relationships & Health Education – Please make sure you have read the information on the school website displayed under the Parents Page/Letters & Information Home tab. At present we have had no parents contact us and the curriculum overview is also available on this page for your perusal. <https://stwilfridsceprimary.co.uk/parents/letters-sent-home-2018/>

Children in Need – Friday 13th November 2020

<https://www.bbcchildreninneed.co.uk/>

We will be fundraising in school next Friday to support the BBC Children in Need annual event. We ask that children bring a £1 contribution and wear either or both, their pyjamas or items of clothing with spots. Please remember sensible shoes and a coat as children will be outside as much as possible weather permitting.

School Trips

Unfortunately, at present we are unable to offer our children the usual experience of visiting historical sites, museums, religious settings, activity centres etc. in line with the curriculum we are covering each term in school. As you can imagine this is very disappointing to all of us, however, we have been able to arrange some amazing virtual trips over the last few weeks which will be delivered in their classroom in a safe and secure way. As soon as the situation allows we will of course resume our usual external visits.
