Don't Forget...

In view of the second national lockdown, we request that our Parents/Carers wear a protective face mask when dropping off & collecting children and that you maintain the social distancing guidelines. This will help us keep our school open during this difficult time. Thank you for your support & cooperation.

Please make sure you keep to the collection and drop off times you have been given so as to minimise congestion and reduce risk in the school environment. Thank you.

We have before & after school childcare available provided by our outside provider Alison Ingham. If you would like to reserve a place for your child and discuss fees please ring her on her new number 07561684795. Arrangements can only be made with Alison not the school office.

Thank you for your donations to Children in Need we managed to collect an amazing £190.25

School Trips

Unfortunately, at present we are unable to offer our children the usual experience of visiting historical sites, museums, religious settings, activity centres etc. in line with the curriculum we are covering each term in school. As you can imagine this is very disappointing to all of us, however, we have been able to arrange some amazing virtual trips over the last few weeks which will be delivered in their classroom in a safe and secure way. As soon as the situation allows we will of course resume our usual external visits.
