

Year 5 weekly overview of work for Monday 1st to Friday 5th February:

Please note that there are some fantastic programmes on CBBC for your age group from 9.40 am to 12 pm ish, including BBC bitesize, horrible histories, art ninja and operation ouch! It would be a good idea to watch some of these!

Try to go into view assignment and go to the right of the screen and click create/add and docs and then type your answers into a blank document it will then give you the option to submit work at the top. You may need separate paper for working out on too.
