<p><b><u>D &amp; T:</u></b></p> <p>Read the powerpoint and what you could have as a healthy balanced meal and why. You are designing a plate of food. You can either design it like a poster with explanations or just make a list of what is included and why.</p>	<p><b><u>D &amp; T:</u></b></p> <p>Research British foods and make a list of traditionally British foods. You could research foods such as Shepherd's pie or fish and chips.</p> <p>Ask your parent or carer if it would be OK for you to make a traditional British meal.</p> <p>Search for a recipe online and then write out a shopping list for you to make this on Friday afternoon if you are able to. Try to make it a healthy meal too if you can. Ask your parent/carer if you can go shopping with them to buy the ingredients.</p>	<p><b><u>Geography:</u></b></p> <p>Read the powerpoint about dams and watch the videos.</p> <p><a href="https://vimeo.com/35758160">vimeo.com/35758160</a></p> <p><a href="https://vimeo.com/31305629">vimeo.com/31305629</a></p> <p>Then read the case studies of 3 dams. Choose 1 of those dams and fill in the debating dams sheet and then at the bottom give 3 reasons why the building of the dam was a good or bad idea. You may want to do a bit of extra research on the dam you have chosen.</p>	<p><b><u>World Book Day:</u></b></p> <p>Since it is World Book Day today, I would like you to have a go at the Charlie and the Chocolate Factory activity pack.</p> <p>Then make your own bookmarks – you can use the examples to help you.</p> <p>Then sit and read a good book in a comfortable corner. Have fun!!!</p>	<p><b><u>D &amp; T:</u></b></p> <p>Hopefully you will have been allowed to buy the ingredients to make your traditional British meal. You may need some adult supervision for this.</p> <p>So for tea on Friday you can cook your meal and let me know what you cooked and whether everyone enjoyed it.</p> <p>If you are not allowed to cook a meal perhaps you could write out and decorate a recipe that you would like to make and send it to me.</p>
